ANNEX D  
to  
Conditional Sale Agreement

ASSIGNMENT OF LEASE AND AGREEMENT

Dated as of May 1, 1986

Between

BARCLAYSAMERICAN/LEASING, INC.

and

BARCLAYS BANK PLC

Filed with the Interstate Commerce Commission pursuant to 49 U.S.C. Section 11303 on \_\_\_\_\_.

ASSIGNMENT OF LEASE AND AGREEMENT dated as of May 1, 1986, between BARCLAYSAMERICAN/LEASING, INC., a North Carolina corporation, ("Owner") and BARCLAYS BANK PLC, a banking corporation organized and existing under and by virtue of the laws of England operating as an agency in Atlanta, Georgia pursuant to the laws of the state of Georgia ("Bank").

The Owner is entering into a Conditional Sale Agreement dated as of the date hereof ("CSA") between TRINITY INDUSTRIES, INC. ("Builder") providing for the conditional sale to the Owner by Builder of such units of railroad equipment ("Units") described in Annex B to the CSA as are delivered to and accepted by the Owner thereunder.

BASF CORPORATION ("Lessee") and the Owner have entered into a Lease of Railroad Equipment dated as of the date hereof ("Lease") providing for the leasing by the Owner to the Lessee of the Units.

The Owner will assign certain of its rights under the Lease to the Bank in order to secure the obligations of the Owner under the CSA.

In consideration of the agreements hereinafter set forth, the parties hereto hereby agree as follows:

1. The Owner hereby transfers and assigns to the Bank, as collateral security for the payment and performance of the obligations of the Owner under the CSA, all the Owner's right, title and interest, powers, privileges and other benefits under the Lease (except any amounts of indemnity payable to the Owner pursuant to Section 6 or 12 of the Lease, any indemnity payments made pursuant to the Indemnity Agreement dated as of the date hereof between the Lessee and the Owner and any insurance proceeds payable under public liability policies maintained pursuant to Section 7.6 of the Lease which by the terms of such policies or the terms of the Lease are payable directly to Owner), including, without limitation, the immediate right to receive and collect all

rentals, profits and other sums payable to or receivable by the Owner from the Lessee under or pursuant to the provisions of the Lease, whether as rent, casualty payment, termination payment, indemnity, liquidated damages or otherwise (such moneys called "Payments"), and the right, upon the happening of an Event of Default, to make all waivers and agreements, to give all notices, consents and releases, to take all action specified in the Lease and to do any and all other things whatsoever which the Owner is or may become entitled to do under the Lease. In furtherance of the foregoing assignment, the Owner hereby irrevocably authorizes and empowers the Bank in its own name or in the name of its nominee or in the name of the Owner or as its attorney to demand, sue for, collect and receive any and all Payments to which the Owner is or may become entitled under the Lease and to enforce compliance by the Lessee with all the terms and provisions thereof, and the Bank shall have the exclusive right to control any such proceedings to enforce compliance by the Lessee with all the terms and provisions of the Lease.

The Bank agrees to accept any Payments made by the Lessee for the account of the Owner pursuant to the Lease. To the extent received, the Bank will apply such Payments to satisfy the obligations of the Owner under the CSA then due and payable and, so long as no event of default under the CSA or event which with notice or lapse of time or both would constitute an event of default thereunder shall have occurred and be continuing, any balance shall be paid to the Owner on the same date such Payment is applied to satisfy such obligations of the Owner by bank wire of immediately available Federal funds to the Owner on such date at such address as may be specified to the Bank in writing, and such balance shall be retained by the Owner. If the Bank shall not receive any rental payment under Section 3.1 of the Lease when due, the Bank shall notify the Owner at the address set forth in the Lease.

2. This Assignment is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Bank to or transfer or in any way affect or modify the liability of the Owner under the Lease. Notwithstanding this Assignment or any subsequent assignment, all obligations of the Owner to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns against and only against persons other than the Bank.

3. The Owner will faithfully perform each and every obligation, covenant and agreement which the Lease provides is to be performed by the Owner and, without the written consent of the Bank, will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder of or from the obligations, covenants, conditions and agreements to be performed by the Lessee (including without limitation the obligation to pay the rents in the manner and at the time and place specified therein), or enter into any agreement amending, modifying or terminating the Lease. Any amendment, waiver, modification or termination of the Lease without the Bank's consent shall be void.

4. The Owner hereby constitutes the Bank the Owner's true and lawful attorney, irrevocably, with full power (in the name of the Owner or otherwise) to demand and receive all Payments due and to become due under or arising out of the Lease to which the Owner is or may become entitled, to enforce compliance by the Lessee with all the terms and provisions of the Lease, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Bank may deem to be necessary or advisable.

5. Upon the full discharge and satisfaction of all sums due from the Owner under the CSA, this Assignment and all rights herein assigned to the Bank shall terminate, and all right, title and interest of the Bank in and to the Lease shall revert to the Owner. Promptly following such full discharge and satisfaction, the Bank will advise the Lessee in writing that all sums due from the Owner under the CSA have been fully discharged and satisfied and instruct the Lessee that no further payments under the Lease are to be made to the Bank.

6. The Owner will pay and discharge any and all claims, liens, charges, security interests or other encumbrances (other than those created by the CSA) on the Lease or the rentals or other payments due or to become due thereunder claimed by any party from, through or under the Owner, or its successors and assigns (other than the Bank), not arising out of the transactions contemplated by the CSA or the Lease (but, to the extent Owner receives funds sufficient for such purpose, including tax liens arising out of the receipt of the rentals and the other payments under the Lease and any other proceeds from the Units) which if unpaid might become a claim, lien, charge, security interest or other encumbrance on or with respect to the Lease or such rentals or other payments equal or superior to the Bank's interest therein, unless the Owner or the Lessee shall be contesting the same in good faith by appropriate proceedings in any reasonable manner and the nonpayment thereof does not, in the opinion of the Bank, adversely affect the interest of the Bank hereunder.

7. The Owner will from time to time execute, acknowledge and deliver any and all further instruments required by law or requested by the Bank in order to confirm or further assure the interest of the Bank hereunder.

8. The Bank may assign all or any of the rights assigned to it hereby or arising under the Lease, including without limitation the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Bank hereunder.

9. This Assignment shall be governed by and construed in accordance with the laws of the state of North Carolina; provided, however, that the parties shall be entitled to all rights conferred by 49 U.S.C. Section 11303, such additional rights arising out of the filing, recording, or depositing hereof, if any, as shall be conferred by the laws of the several jurisdictions in which this Assignment shall be filed, recorded or deposited or in which any Unit shall be located, and any rights arising out of the marking of the Units.

10. The Owner shall cause copies of all notices received in connection with the Lease and all payments hereunder to be promptly delivered or mailed to the Bank at its address set forth in the CSA or at such other address as the Bank shall designate.

11. So long as no event of default under the CSA has occurred and is continuing, the Bank will not exercise or seek to exercise any of the rights, powers, privileges, authorizations or benefits which are assigned and transferred by the Owner to the Bank by this Assignment, except the right to demand, sue for, collect, receive and apply the Payments as provided in Section 1 hereof, and the Owner may (if the Bank is not already doing so) exercise or seek to exercise its rights, powers, privileges and remedies arising out of Section 13.1(a) of the Lease; provided, however, that the Owner shall not terminate the Lease or otherwise exercise or seek to exercise any rights, powers, privileges and remedies arising out of Section 13.1(b) of the Lease without the prior written consent of the Bank.

12. This Assignment may be executed in any number of counterparts, all of which together shall constitute a single instrument, but the counterpart delivered to the Bank shall be deemed to be the original counterpart. Although for convenience this Assignment is dated as of the date first above written, the actual dates of execution hereof by the parties hereto are the dates stated in the acknowledgments hereto annexed.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed by duly authorized officers as of the date first above written.
